LEADERSHIP & STRATEGY

LE40-1 Leading Through Uncertainty and Change

This practical programme equips leaders and managers with the skills to navigate uncertainty and guide their teams effectively through periods of change. Participants will explore strategies to maintain focus, build resilience, communicate clearly and support others while adapting to shifting organisational and business landscapes.

Course Information

Duration: 1 day

London (£795): 17th August 2026, 14th December 2026, 7th June 2027, 26th July 2027, 20th September 2027, 8th November 2027, 10th January 2028

Companies nominating 3 or more delegates to attend the same programme will enjoy a special discount on the course fees.

Upon completion of one of our CPD certified courses, delegates will be awarded both an LMC certificate and a CPD certificate. No examination required.

Who is the course suitable for?

This programme is tailored for individuals who are accountable for shaping team performance in dynamic environments. It is particularly suited to those who need to make timely decisions under pressure, inspire confidence during transitions, and foster adaptability within their teams. Leaders stepping into roles with evolving responsibilities will also find this course highly relevant.

Course profile
