LEADERSHIP & STRATEGY

LE42-1 Leading Through Competing Priorities and Trade-Offs

This course equips leaders with the skills to effectively manage competing demands, make sound trade-offs, and prioritise what matters most. Participants will explore practical frameworks and decision-making tools to balance short-term pressures with long-term goals, ensuring alignment, clarity, and impact in complex environments. This programme also forms Day 1 of the three-day Leading Through Complexity and Competing Priorities programme, providing a natural pathway for those who wish to develop their leadership capability further.
