

MANAGEMENT

MG25 Risk and Crisis Management

In today's dynamic business environment, effectively managing risks and responding to crises is crucial for sustaining organisational growth and stability. This course equips newly appointed managers and professionals with the essential skills and knowledge to identify, evaluate, and manage risks effectively across different areas of an organisation. Through interactive sessions, participants will learn to construct robust risk management frameworks, devise operational strategies, and lead confidently during crises. The course aims to enhance participants' ability to anticipate and mitigate potential disruptions, ensuring they are well-prepared to safeguard their organisation's interests and maintain its reputation under various challenging scenarios.

Course Information

Duration: 5 days

London (£4950): 16th June 2025, 4th August 2025, 29th September 2025, 17th November 2025

Dubai (£4950): 7th July 2025, 13th October 2025

Companies nominating 3 or more delegates to attend the same programme will enjoy a special discount on the course fees.
