

## LEADERSHIP & STRATEGY

# **LE36** Developing Leadership Skills for New Managers

This intensive course is designed to equip new managers with the critical leadership skills required to excel in their roles. It focuses on cultivating strong leadership attributes, fostering a creative and innovative mindset, and developing effective communication and problem-solving skills. Participants will explore various leadership styles, learn to build and sustain dynamic teams, and implement practical tools for ongoing personal and professional growth. The course aims to prepare managers not only to meet but to exceed the demands of modern organisational leadership by providing actionable strategies that can be directly applied in their workplaces.

## Course Information

**Duration:** 5 days

**London (£4950):** 14th July 2025, 8th September 2025, 27th October 2025, 15th December 2025
