

INTERPERSONAL SKILLS

IN22 Interpersonal Effectiveness and Collaborative Employee Relations

In today's dynamic workplace, effective interpersonal skills and collaborative relations are crucial for achieving exceptional performance and fostering a productive environment. This essential course aims to enhance delegates' abilities to build rapport, handle challenging situations, and communicate ideas with precision and clarity. Over the course, participants will develop key leadership skills, improve their assertiveness, and master effective communication techniques. Additionally, they will learn to cultivate a collaborative team environment, and enhance problem-solving and decision-making skills. By the end of this course, delegates will be equipped with practical tools and approaches to boost their performance and address workplace challenges confidently.

Course Information

Duration: 5 days

London (£4950): 23rd June 2025, 11th August 2025, 6th October 2025, 24th November 2025

Companies nominating 3 or more delegates to attend the same programme will enjoy a special discount on the course fees.

Upon completion of one of our CPD certified courses, delegates will be awarded both an LMC certificate and a CPD certificate. No examination required.

Who is the course suitable for?

This course is designed for Managers, Supervisors, Team and Project Leaders, and those responsible for providing clear direction to others. It is ideal for professionals in mid-level management and supervisory roles who aim to enhance their managerial skills, team leadership, performance management, and effective

communication within the workplace. This course is suitable for individuals looking to advance in their careers by strengthening their leadership abilities and fostering a collaborative work environment.
