

LEADERSHIP & STRATEGY

LE50 Social Intelligence for Business Leaders

In today's complex business environment, the ability to manage interpersonal relationships with intelligence and empathy is crucial. This course equips delegates with the necessary social intelligence skills to effectively lead and influence others. By exploring the synergies between emotional intelligence and cognitive understanding, this course aims to enhance leadership qualities, improve organisational culture, and drive sustainable business success. Participants will gain actionable insights and tools to refine their social perceptiveness, making them adept at fostering collaborative and innovative workplaces.

Course Information

Duration: 5 days

London (£4950): 23rd June 2025, 11th August 2025, 6th October 2025, 24th November 2025, 2nd February 2026, 27th April 2026, 22nd June 2026, 10th August 2026, 5th October 2026, 23rd November 2026

Companies nominating 3 or more delegates to attend the same programme will enjoy a special discount on the course fees.

Upon completion of one of our CPD certified courses, delegates will be awarded both an LMC certificate and a CPD certificate. No examination required.

Who is the course suitable for?

This course is tailored for managers, team leaders, executives, and professionals responsible for overseeing teams or projects. It is particularly beneficial for those who aim to excel in their leadership roles by mastering the art of managing people through effective communication, empathy, and cooperative strategies.

Participants will learn how to leverage social intelligence to enhance their leadership effectiveness and interpersonal dynamics within diverse teams.
