MANAGEMENT

MG20 Lean Leadership – A Strategic Guide to Sustainable Change

This intensive course on Lean Leadership offers a strategic guide to sustainable change, equipping leaders with advanced techniques and knowledge to implement Lean principles effectively across their organisations. By exploring cutting-edge strategies and practical applications, delegates will learn to drive efficiency, enhance performance, and foster a culture of continuous improvement. This course not only redefines leadership within the Lean framework but also ensures that leaders can enact significant and lasting change.

Course Information

Duration: 5 days

London (£4950): 19th January 2026, 13th April 2026, 8th June 2026, 27th July 2026, 21st September 2026, 9th November 2026, 18th January 2027, 12th April 2027, 21st June 2027, 9th August 2027, 4th October 2027, 22nd November 2027, 28th February 2028
