

LEADERSHIP & STRATEGY

LE31 Breakthrough Leadership and Driving Change

This course has been designed to examine theoretical and practical applications of a concept known as Breakthrough Leadership.

This will showcase proven strategic leadership and management methodologies which have resulted in breakthrough performance in international organisations.

Delegates will receive a thorough and action-oriented view of how an executive team can drive their workforce to achieve better performance.

It will introduce techniques to foster a culture of growth, allowing them to better formulate strategic plans, become more aware of their team, and use resources more effectively.

Course Information

Duration: 10 days

London (£9900): 29th June 2026, 17th August 2026, 12th October 2026, 30th November 2026, 18th January 2027
