

## HUMAN RESOURCES MANAGEMENT

# **HR5** Workforce Planning to Achieve Strategic Objectives

This essential course is tailored for HR professionals dedicated to linking workforce strategy with business goals effectively. It will equip participants with the skills to analyse and forecast workforce requirements, align them with organisational strategy, and implement robust workforce plans using contemporary HR metrics. Through practical exercises and insightful discussions, delegates will leave with actionable strategies that enhance organisational performance and adaptability.

## Course Information

**Duration:** 5 days

**London (£4950):** 2nd June 2025, 21st July 2025, 15th September 2025, 3rd November 2025

**Companies nominating 3 or more delegates to attend the same programme will enjoy a special discount on the course fees.**

Upon completion of one of our CPD certified courses, delegates will be awarded both an LMC certificate and a CPD certificate. No examination required.

## Who is the course suitable for?

This course is designed for HR Specialists, Analysts, and Coordinators, as well as managers and leaders involved in workforce planning and implementation. It is particularly beneficial for those who manage specialised HR functions or have developed expertise in niche HR domains. Attendees will gain strategic insights and practical tools to effectively manage and evolve their workforce in alignment with organisational objectives.

# Course profile
