

HUMAN RESOURCES MANAGEMENT

HR2 Performance Management, Benchmarking and Continuous Improvement

In today's competitive environment, mastering the art of performance management, benchmarking, and continuous improvement is essential for any manager or supervisor. This course equips professionals with robust tools and strategies to enhance team performance and align it with organisational goals. Participants will delve into the performance management cycle, explore effective benchmarking techniques, and learn how to foster an environment of continuous improvement. By integrating practical tools with actionable insights, this course prepares delegates to significantly boost their team's efficiency and productivity.

Course Information

Duration: 5 days

London (£4950): 2nd June 2025, 21st July 2025, 15th September 2025, 3rd November 2025

Companies nominating 3 or more delegates to attend the same programme will enjoy a special discount on the course fees.

Upon completion of one of our CPD certified courses, delegates will be awarded both an LMC certificate and a CPD certificate. No examination required.

Who is the course suitable for?

This course is specifically designed for managers, department heads, and senior HR practitioners who play a pivotal role in shaping and guiding their teams towards exceptional performance. Attendees typically manage projects, teams, or departments and are keen on enhancing their skills in performance management, effective

communication, and strategic alignment. This training is invaluable for those aiming to refine their leadership capabilities and implement best practices in performance management within their organisations.
