

HUMAN RESOURCES MANAGEMENT

HR23 Talent Management – Developing Key People

This comprehensive course will equip Managers, Team Leaders, and Department Heads with essential strategies and practices to cultivate, harness, and retain key talents within their organisations. The program explores the challenges of identifying and nurturing high-potential individuals who are critical to organisational success. Participants will learn to craft and execute a talent management strategy that is closely aligned with their organisation's long-term goals, fostering an environment that promotes a culture of growth, learning, and operational excellence. It will empower leaders with the practical tools and cutting-edge insights needed to transform talent management, enhancing their team's productivity and organisational agility.

Course Information

Duration: 5 days

London (£4950): 4th August 2025, 29th September 2025, 17th November 2025

Dubai (£4950): 7th July 2025, 3rd November 2025

Istanbul (£4950): 1st December 2025

Companies nominating 3 or more delegates to attend the same programme will enjoy a special discount on the course fees.

Upon completion of one of our CPD certified courses, delegates will be awarded both an LMC certificate and a CPD certificate. No examination required.

Who is the course suitable for?

This dynamic course is tailored for leaders such as Managers, Team Leaders, and Department Heads who are pivotal in shaping talent management strategies within their organisations. It is ideal for those who are in charge of specialised teams or are experts in technical domains and are looking to bolster their understanding of integrated talent management strategies. Participants will learn to craft a talent-focused organisational culture that aligns with business strategies, thereby ensuring sustained growth and competitive advantage.
