

LEADERSHIP & STRATEGY

LE65 Team Leadership and Assertive Communication

This course is designed to combine the core principles of leadership and communication to enhance managerial effectiveness. Through in-depth modules, delegates will explore strategies for building and leading successful teams while refining their communication and assertiveness skills. It will focus on equipping participants with the leadership tools necessary to foster high-performance teams, manage diverse environments, and sustain long-term success. Delegates will develop critical communication techniques, including assertive behaviour, interpersonal skills, and the ability to navigate cross-cultural dynamics. Participants will be prepared to face workplace challenges confidently and implement practical solutions that drive team cohesion, enhance performance, and strengthen relationships.
