PROJECTS, LOGISTICS, QUALITY & AUDIT

PL22 Project Management for Department Heads

In the rapidly evolving landscape of professional development, this course equips department heads and senior leaders with the necessary skills, competencies, and practical tools to excel in their roles. This comprehensive course delves into strategic project management techniques, emphasising hands-on learning and real-world applications. Participants will leave with a deeper understanding of project leadership, honed decision-making abilities, and a modern perspective on managing projects in the workplace.

Course Information

Duration: 5 days

London (£4950): 9th March 2026, 18th May 2026, 13th July 2026, 7th September 2026, 26th October 2026, 14th December 2026, 7th June 2027, 19th July 2027, 20th September 2027, 1st November 2027, 10th January 2028
