

MANAGEMENT

MG93 Strategic Management for Directors and Senior Managers

This intensive course equips participants with the latest strategic management tools and leadership techniques needed to navigate complex organisational landscapes. Designed to transform experienced senior leaders into forward-thinking strategists, the course focuses on enhancing decision-making skills, driving organisational change, and developing a culture of innovation and resilience. Delegates will emerge better prepared to tackle current and future challenges, armed with practical knowledge and actionable strategies.

Course Information

Duration: 5 days

London (£4950): 23rd June 2025, 11th August 2025, 6th October 2025, 24th November 2025, 2nd February 2026, 27th April 2026, 22nd June 2026, 10th August 2026, 5th October 2026, 23rd November 2026

Companies nominating 3 or more delegates to attend the same programme will enjoy a special discount on the course fees.

Upon completion of one of our CPD certified courses, delegates will be awarded both an LMC certificate and a CPD certificate. No examination required.

Who is the course suitable for?

This course is tailored for directors, senior executives, and high-level managers who are responsible for shaping the strategic direction of their organisations. It is particularly beneficial for those seeking to enhance their strategic thinking capabilities, refine their leadership approach, and foster a culture of innovation and agility within their teams. Participants will gain insights into global strategic challenges and learn to apply

effective solutions to real-world scenarios.
