

LEADERSHIP & STRATEGY

LE20 Commercial Business Strategy for Leaders

The Commercial Business Strategy for Leaders course is designed to equip management professionals with advanced strategic planning and execution skills. Over five days, delegates will engage with a comprehensive curriculum focusing on enhancing business acumen, fostering innovative leadership, and developing actionable strategies that drive organisational success. The course aims to offer practical tools and frameworks to navigate complex business environments effectively and lead with confidence and ethical considerations.

Course Information

Duration: 5 days

London (£4950): 23rd February 2026, 11th May 2026, 6th July 2026, 24th August 2026, 19th October 2026, 7th December 2026

Companies nominating 3 or more delegates to attend the same programme will enjoy a special discount on the course fees.

Upon completion of one of our CPD certified courses, delegates will be awarded both an LMC certificate and a CPD certificate. No examination required.

Who is the course suitable for?

This course is tailored for professionals holding positions as Directors, Managers, and Team Leaders who are responsible for making pivotal decisions within their organisations. It is particularly suited for those looking to refine their strategic thinking capabilities, improve risk management and scenario planning, and enhance their leadership effectiveness in a dynamic business landscape.
